Los Angeles is known to  
be the largest city in California  
and the second largest in the United States  
with a population of over 4 million  
people. It is located in the south  
west of the state and is known  
for its beautiful beaches and  
mild climate. The city is also  
known for its diverse culture and  
history. It is a major center for  
business and industry in the  
western United States.
